

1. In order to receive accreditation as a Fellowship Program of the Consortium of ACS Accredited Education Institutes, an institution must also be a fully accredited ACS-accredited Education Institute (AEI).
2. In order to receive full accreditation as an ACS-accredited Surgical Simulation Fellowship Program, an AEI must have at least one (1) Fellow during the Fellowship Program's three-year period of accreditation.
3. The Fellowship Program of the Consortium of ACS Accredited Education Institutes must adhere to the eligibility requirements as stated in the Standards and Criteria.
4. The AEI must submit an application by the stated deadline in order to be reviewed for consideration as a Fellowship Program of the Consortium of ACS Accredited Education Institutes.
5. The AEI will receive an invoice for \$500 billed annually in October. It is the expectation that fees will be paid in a timely manner.
6. A Fellow in an accredited Fellowship Program must be notified of selection into the program by January of the year that the Fellow is entering the program and must begin his/her fellowship in July of the same year. The AEI must notify ACS-AEI Program staff when a new Fellow officially starts his or her program.
